

Week 11 - Year 3 - Foundation Subjects

Monday - History

Use the internet to do some research on life in the Stone Age. Then write an invitation to Bear Grylls asking him to live life as a man from the Stone Age for a day.

What Would Bear Grylls Do?

Bear Grylls is famous for his survival skills.

Imagine that Bear Grylls is making a film about Stone Age survival.

Instructions:

- Send Bear Grylls an invitation to live like a Stone Age man for the day.
- Tell him when the experience will start, at what time and where he will need to be.
- Tell him what he will need to do before he arrives to help him survive the day.
- Explain the dangers he will encounter.
- Give some 'Top Tips' for Stone Age survival.

Tuesday- P.E

Watch Joe Wicks and complete the workout on YouTube. Make sure you grab a bottle of water before you start!

Wednesday- R.E

Use the internet to research where Judaism was founded. How long ago was it founded? Where was it founded? Who founded Judaism?

Watch the video link below to learn about the covenant made between God and Abraham. <https://www.youtube.com/watch?v=NdqrwGJYePQ>

Write a brief summary about this.

Week 11 - Year 3 - Foundation Subjects

Thursday- Computing

Create a power point presentation or a poster about your favourite hobby or something new you have learnt whilst being at home!

What I Like Doing At Home

You have been developing your skills in using presentation applications.

Find out which applications you have at home.

If there isn't one on your home computer, what about using Google Slides (free with a gmail email address)?

Has the application at home got the features you have learnt about in school?

1. Themes and Slide Transitions
2. Animations
3. Action Settings (Hyperlinks)
4. Audio and Video

Here is a suggested task that will help to reinforce your learning.

1. Try out the features above, especially if you are using a different application or version.
2. Make a presentation about a topic that interests you, for example a hobby or activity you enjoy. Use as many of the features you have been learning about, as you can!

Friday- French

Complete the matching activity. Match the French words to their English translation. Then see if you can create a sentence in French introducing you! Watch YouTube video to support today's learning.
