

Year 6 - Foundation Subjects - Week 12

Our topic.....Hola Mexico!

Activity 1 - PE

Search PE with Joe on YouTube for some daily exercise.

Activity 2 - Music

Watch this video of a musician playing a wind instrument and think about how different sounds are made with the one instrument

<https://youtu.be/QAiwIq3aP2U>

Look at a range of pictures of wind instruments below, write each of them as a sub-heading and add bullet points for how you think they can be used to make different sounds/notes.

Activity 3 - D & T

Make a simple wind instrument out of junk materials such as card, empty plastic bottles, and cutting tools. Play your instrument and try to make the loudest/quietest/longest/lowest sounds that you can. What do you need to do with your instrument to change the sound?

- How to make a paper flute (<https://youtu.be/CL4YdchtJxY>)

Activity 4 - History

Find out as much as you can about what happened at Ancient Mayan Festivals. There were some exciting and gruesome events!

Activity 5 - D&T

At the beginning of most Mayan Festivals there was a procession. The conductor of the procession music would need an embellished staff. What do you have at home that you could use to make one?
