To all Parents and Carers of Chadwell, Deneholm and Stifford Clays Primary pupils:

RE: THE PRIME MINISTER'S ANNOUNCEMENT ON SUNDAY 10TH MAY 2020

Dear Parent and Carer,

You will no doubt be aware that last night the Prime Minister made an address to the nation regarding the current plan for the management of COVID-19.

The information in the announcement was received by head teachers and school leaders at the same time as you.

Along with the whole education profession, we will wait to access the details that follow this week.

At this time, there will be no change to our provision. We will continue to provide our weekly home learning planning, resources and videos via our YouTube channel – SWE CET. We will also continue to offer childcare at SCP for families where all the adults at home are key workers/essential workers, where they are unable to work from home AND are actually at work.

The Trust Leadership Team and senior staff in our schools will work to put our plans in place and to clarify, what these announcements mean for all our schools, for our pupils and for you in the future. Consequently, we will be providing more details as soon as is possible.

As always, we will continue to do all we can to support our pupils and staff at this very difficult time and I want to thank you again for your support and kind comments.

We will update parents as soon as possible.

You are reminded that if you need to contact our schools, you must use the following email addresses. The school offices are currently closed:

Chadwell: schoolclosure@csm.swecet.org

Deneholm: schoolclosure@dps.swecet.org

Stifford Clays: schoolclosure@scp.swecet.org

Yours sincerely

Ms C Pumfrey
