Dear parents/carers,

It has been so nice to have all of the children back this week. The children have settled beautifully and it feels like we have never been away. The children have demonstrated our school values (Resilience, Self-confidence, Aspiration and Empathy) this week in so many different ways and we are all very proud of them. We would like to thank all of you for your continued support in our return to school. Your kind words on the gates, phone calls and emails have been appreciated by all staff.

A few reminders for drop-off and collection:

- Please wait on the field in between collections.
- Only one adult for collection. This will help all of us to socially distance.
- Please ensure if you are waiting that your children stay with you and don't run around on the field or playground.
- Please don't arrive early for drop-off as this can make it harder to keep our bubbles separate.

I hope you all have a lovely weekend.
