Plural Sentences

Take a peek around your home. Come up with some plural words (glasses, doors, books, chairs).

Write sentences using the plural words. To challenge yourself use adjectives to describe.

e.g. **Our books are kept on a wooden shelf.**

I can use: **ABC**   Challenge: **ADJECTIVES**

Note to parent: Get the children to sound talk the singular first and then add -s or -es. For instance, spell shirt first and then add the -s to makes shirts.
