

### Creative Homework Challenge

We are giving children an opportunity to show off their creative skills by completing our **Creative Homework Challenge**. There is no expectation for your child to complete this but please encourage them if they'd like to. These challenges are linked to their half termly topics.

### Creative homework certificates

Certificates will be given to children for the following;

Bronze - if you complete 1 piece of homework this half term.

Silver - if you complete 2 pieces of homework this half term.

Gold - if you complete 3 pieces of homework this half term.

### Menu of Creative Homework Challenge Ideas

1. Design a fact file about the life of Queen Victoria
2. Draw/paint a picture of a Victorian slum
3. Look at a range of works by William Morris and create some prints of your own
4. Make a Victorian apple jam or potato soup - recipe available from teachers
5. Create a diagram explaining the water cycle
6. Carry out some experiments at home - what materials can you change and how? What can you change and change back again? Why can't you change some things back?

Spring Term 2  
Year 6  
Revolution

### Compulsory Homework Expectations:

There is an expectation for you to **share a book or read** at home with your child at least 3 times per week. Please focus on your child's reading book for 5 minutes and remember it is not always necessary for your child to read the whole book. You may wish to focus on a few pages and spend the rest of the time discussing what has happened or asking your child questions about what they have read (please see the inside cover for further ideas). Within this time, you may also wish to practise your child's bookmark or recap words that they found challenging in this book or previous books.

Please use your homeschool diary should you have any homework queries.
